Jonathan Patricio Parra

I have been fortunate to have met Jonathan through the Dream Center. I remember the first meeting I had with him Jonathan was extremely shy but also very polite. Shortly after connecting, Jonathan started coming into the Dream Center multiple times a week whether it was to attend workshops, do homework, or study. I cannot count the number of times students, faculty, and staff have shared with me an experience they have had with Jonathan, complementing his friendly personality and dedication. It is with great pleasure to announce that Jonathan will be graduating this Spring 2023 semester as a Math major and he is currently still debating if he will be attending UC Riverside, Chico State, or UC Santa Cruz this Fall! I know he will continue to do amazing things in his future endeavors! Congratulations Jonathan! I am so proud of you!
