Martha's Words of Gratitude

Professor Julie Brown, Thank you so much for this award. This recognition means a lot to me. This semester was my first semester back in school after 23 years. Being a full-time mom and full-time employee, I thought I didn't have the time, but I knew that it was something I had to do, not only for myself, but also to set a good example for my teenage daughter. Thank you Gia, for being understanding and supportive. I also want to thank my boyfriend, Kumar, for your support and encouragement - It means the world to me.
